Smoking

No smoking outside dedicated smoking areas

Confined space

No entry to confined space without authorisation and gas test

Live equipment

No work on live equipment/machines to commence without authorisation

Lifting & hoisting

No unauthorised person to enter the defined danger zone where objects can fall

Safety critical devices

Safety critical devices/interlocks must not be disabled or overridden without authorisation

7 Life saving rules

Breaking of any Group rule will result in immediate suspension from INEOS property pending investigation. Wilful intent will result in sanction procedure up to and including dismissal (INEOS employee) or immediate site exclusion (3rd party) in compliance with national laws and regulations.

These rules are the Group rules. In addition all sites and countries have additional specific rules that if broken will follow the relevant disciplinary up to and including dismissal.
